PUBLIC NOTIFICATION

REPORTING VIOLATION OF THE
CONSUMER CONFIDENCE REPORT

The Coralville Lake terrace
(name) Public Water Supply (include a description of the areas served if it is not evident from the supply name) is required by state and federal regulations to produce an annual Consumer Confidence Report covering calendar year 2015.

The Coralville Lake terrace
(name) Public Water Supply regrets its failure to produce a Consumer Confidence Report and deliver a copy to our customers and the IDNR by July 1, 2016 and will work to make sure that the reporting schedule is observed in the future.

Customers with questions or concerns about the Consumer Confidence Report, or any other water problem, should contact (name and phone number of local contact).

Jerry Brogan
